## A MESSAGE FROM THE DIRECTOR

We are pleased to offer the 2014 Spring & Summer Program and Activities Guide highlighting many of the great amenities the Hilliard Recreation and Parks Department has to offer. The City of Hilliard has consistently placed a high value on recreation services and we recognize the importance of providing quality events, facilities and services. Our department is responsible for the operations of the Community Center, the Phyllis A. Ernst Senior Center, the Hilliard Family Aquatic Center, the Hilliard East Pool and public parkland totaling 24 parks and over 320 acres.

As we transition into the spring and summer, we invite you to take advantage of the diverse parklands in Hilliard which includes wooded natural areas, multi-use pathways, green spaces and athletic fields. We continue to acquire land to develop new parks, including the Heritage Trail Dog Park (which reopens for the season in April of 2014) and preliminary construction on Hilliard Station Park starts in the upcoming months.

Please join us for some of our featured events this summer, such as, the Fitter and Faster Swim Tour ([swimoutlet.com](http://swimoutlet.com)), July 4th in Hilliard (McGuffey Lane, amusement rides and fireworks), our annual Fall Festival, outdoor dive in movies, concerts and more! We continue to collaborate with many independent organizations to provide support for other events in Hilliard and you can find most of these on our website ([hilliardohio.gov](http://hilliardohio.gov)) or on our Facebook page.

This Program & Activities Guide is designed to provide you with updates and information about the many programs and activities we offer for citizens of all ages. If we can answer questions or guide you through our registration process, please do not hesitate to contact us at 614- 876-5200.

Thank you for your continued support. Our pledge is to maintain the best possible services, facilities, events and activities that make the City of Hilliard a great place to Live, Work and Play!

**Steve Mazer, Recreation and Parks Director**

## CANCELING CLASSES & REFUNDS

All daytime (before 5 p.m.) programs are canceled when Hilliard City Schools closes due to inclement weather. Cancellation of evening programs (after 5 p.m.) is determined by 4 p.m. the day of the activity. On Saturdays and Sundays, please call 614-876-5200 by 9 a.m. or visit [nbc4i.com](http://nbc4i.com) or Channel 4 for the latest cancelations.

The City of Hilliard Recreation and Parks Department reserves the right to cancel classes for low enrollment. If a class is canceled due to low enrollment, a full refund is issued in the form of a check or credited to your credit card. No cash refunds are issued. Refund checks take approximately 3 weeks to process and are mailed.

Refund requests and/or transfers must be submitted in writing and are made only before the start of the class for one of the following circumstances:

- When a refund is requested at least seven (7) days in advance of the first class meeting, provided it does not reduce the class participation level below the required minimum.
- Documentation may be required for an approved hardship situation (relocation outside a 25-mile radius of the Community Center or a medical restriction).
- Senior Center refunds \$10 or less are issued as a credit to your household.
- If your request is for an activity or event for which advance tickets were purchased or reservations made, we will issue a refund only if we are able to re-sell your reservation to a patron on the waiting list. If we are unable to re-sell your ticket, you will be responsible for the cost, though may transfer the ticket or reservation to a family or friend.
- We recommend the purchase of travel insurance for trips scheduled through tour companies as many have rigid refund deadlines.
- Refunds may reflect a processing fee.

# GENERAL INFORMATION

## FAIR SHARE POLICY

The City of Hilliard Recreation and Parks Department is largely financed through city income tax dollars. Therefore, to be considered a "City Resident" in our registration process, you must live within the city limits of Hilliard. Even though you may have a Hilliard mailing address or live within the Hilliard City School District boundaries, you may not live inside of the Hilliard city limits. We ask for your understanding when registering.

Those registering for a program are asked to provide current verification of residency. You will receive a user name and password for on-line registration purposes once verification of residency has been established (must update annually).

## YOU SNOOZE, YOU LOSE!

Nothing cancels a good class more quickly than everyone waiting until the last minute to register. If there are not enough registrants by a certain date, the program may be canceled. Registering on the day of a class does not save a class. Please register as early as possible!

## NOTICE TO PARTICIPANTS

Participants must recognize that all classes/activities of a physical nature involve some risk, and by registering for a class/activity of this nature, there is an assumption of risk to the participant. The City of Hilliard Recreation and Parks Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first class recreational activities, facilities and parks. In the event of a serious accident or illness, it is the policy of the City of Hilliard to: 1.) Activate our Emergency Action Plan. 2.) Call 9-1-1, the Norwich Township Fire Department for first aid and emergency treatment. 3.) Reach the parent, guardian or emergency contact as soon as the situation allows.

## MILITARY DISCOUNT: 10% OFF!

Special discount for active duty military personnel and their immediate family. Identification must be provided to receive discount.

## PHOTO RELEASE

By registering for any Hilliard Recreation and Parks Department program, you agree to allow publication of photos taken at any program, event or facility associated with the City of Hilliard Recreation and Parks Department unless you notify us in writing at the time of registration.

## SHARE YOUR TALENTS...TEACH!

Do you have a special skill or hobby that you are willing to share? Instructors are always needed to teach new classes and programs. To have your class or idea considered, stop in and fill out a class proposal form or e-mail Geoff Dew at [gdew@hilliardohio.gov](mailto:gdew@hilliardohio.gov).

## TO ERR IS HUMAN

Although our staff works hard to ensure that publications are free from mistakes, there are times when errors in dates, times, rates or registration information occurs. We do everything possible to make corrections, and we thank you for your understanding when these situations arise!

## HERITAGE TRAIL DOG PARK

The park is located at 7262 Hayden Run Road at the Heritage Trailhead. This park provides Hilliard area residents with a safe place for off-leash play with their dogs. Off-leash play benefits all members of the community. Dogs who have regular exercise are better neighbors. They are quieter, better behaved and friendlier to other people and dogs.

Distinct areas for different types of dogs are among the unique features about this park: one acre dedicated to leisure or small dogs and three acres dedicated to active or larger dogs. There is a doggie “sprinkle area” with water features in the middle of the park and a doggie drinking fountain. There are also pathways through the park that lead to benches and shaded areas.

The City of Hilliard is seeking financial sponsorship and in-kind services to continue to fund this project and add additional features. Visit [hilliardohio.gov](http://hilliardohio.gov) for more information about how to support this project or clip the form to the right and return on the address listed therein.
